1. Statement of Intent

Rosebrook Primary School believes that a consistent school uniform policy is vital to promote the ethos of the school and provide a sense of belonging and identity for all pupils, regardless of their protected characteristics or socio-economic circumstances.

This policy lays out the measures the school has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, and is affordable and the best value for money for the school and pupils' families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in such a way that sets an appropriate tone for education.

2. Legal Framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- Education (Guidance about Costs of School Uniforms) Act 2021

This policy has due regard to all relevant guidance including, but not limited to, the following:

- DfE (2021) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2021) 'School uniforms'

This policy operates in conjunction with the following school policies:

- Trust Complaints Policy
- Behaviour Policy
- Health & Safety Policy

3. Roles and Responsibilities

The Local Academy Committee is responsible for:

- Establishing, in consultation with the Headteacher and school community, a practical and smart school uniform that accurately reflects the school's vision and values.
- Ensuring that the school's uniform is accessible and inclusive, and does not disadvantage any pupil by virtue of their protected characteristics or socio-economic status.
- Listening to the opinions and wishes of parents, pupils and the wider school community regarding changes to the school's uniform.
- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating how best value for money has been achieved in the uniform policy.
- Ensuring compliance with the DfE's 'Cost of school uniforms' guidance.
- Processing and approving all eligible School Uniform Assistance Application Forms.

The Headteacher is responsible for:

- Enforcing the school's uniform on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a pupil is in breach of the policy.
- Listening to the opinions and wishes of the school community regarding the school's uniform and making appropriate recommendations to the governing board.
- Providing pupils with an exemption letter as appropriate, e.g. for a pupil who has a broken arm and requires a loose-fitting top.
- Staff members are responsible for:
 - Ensuring that pupils dress in accordance with this policy at all times.
 - Disciplining pupils who are in breach of this policy.
 - Ensuring that pupils understand why having a consistent and practical school uniform is important, e.g. school identity.

Parents are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.
- Informing the Headteacher if their child requires a more relaxed uniform policy for a period of time, including why.
- Ensuring that their child's uniform is clean, presentable and the correct size.
- Pupils are responsible for:
 - Wearing the correct uniform at all times, unless the Headteacher has granted an exemption.
 - Looking after their uniform as appropriate.
 - Understanding and respecting why a school uniform is important to the school, e.g. school identity and community.

4. Cost Principles

The school is committed to ensuring that its school uniform is affordable and accessible to all pupils, and does not place an unreasonable financial burden on parents.

In accordance with the 'School Admissions Code', the Headteacher will ensure that the school's uniform policy does not discourage parents from applying for a place for their child.

The school will assess the overall cost implications of its uniform policy regularly, including prior to making any changes to the school uniform. When evaluating whether costs are reasonable and proportionate, the school will consider the opinions and situations of:

- Economically disadvantaged parents.
- Parents with multiple children who are, or will be in the future, pupils at the school.
- Parents of younger children, as they are likely to grow quickly and require new sets of uniform more frequently.
- Parents of pupils with protected characteristics that may impact their ability to access the uniform due to costs.
- LAC and PLAC (known as CIOC – within Stockton LA).

The school will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of

certain items, e.g. shirts and socks, to ensure their child can come to school in clean uniform every day.

The school keeps variations in school uniform for different groups of pupils, e.g. year group-specific items or house colours, to a minimum where possible to ensure that pupils can get the most wear out of their uniform as possible and that parents can pass some items down to younger siblings.

The school keeps branded uniform items to a minimal level that is reasonable for all members of the school community. The school defines a branded uniform item as any item of clothing that cannot be purchased at a range of retailers, including by virtue of logos, colours, design and fabrics. Where the school decides to require an item of branded clothing, it will conduct an assessment to ensure prices are kept as low as possible, e.g. by offering sew-on or iron-on logo badges for jumpers that can be bought at retailers instead of requiring special branded jumpers.

The school is committed to meeting the DfE's recommendations on costs and value for money. Every care is taken to ensure that our uniforms are affordable for all current and prospective pupils, and that the best value for money is secured through reputable suppliers.

The school works with multiple suppliers to obtain the best value for money possible. Any savings negotiated are passed to parents where possible and does not enter into exclusive single supplier contracts or cash-back arrangements. More information on supplier processes can be found in the 'School uniform supplier' section of this policy.

The school will not amend uniform requirements regularly and will take the views of parents and pupils into account when considering any changes to school uniforms.

5. Equality Principles

The school takes its legal obligation to avoid discriminating against any protected characteristic unlawfully very seriously and aims to ensure that the uniform policy is as inclusive as possible so that all pupils are supported to access a school uniform which is comfortable, suitable for their needs, and reflects who they are.

The school will work to ensure that school uniform's cost does not disproportionately affect any pupils by ensuring that uniforms for all genders are as equal in price as possible and by adhering to the cost principles laid out in section 3.

The school will ensure that parents and pupils are consulted over any changes to school uniform, and that views and advice is sought specifically from pupils, and parents of pupils, who:

- Are transgender, including non-binary pupils.
- Have SEND and/or sensory needs.
- Are of a religious or cultural background that has dress requirements.

The school implements a gender-neutral uniform, meaning that pupils are not required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'School Uniform' section of this policy regardless of the legal sex recorded on the school's records. Transgender pupils are supported to access the uniform that best reflects their gender expression.

The school ensures that pupils who are required to follow certain dress requirements, e.g. by virtue of their membership of a particular religious or cultural group, are afforded flexibility to allow them to wear a uniform that adheres to their requirements as far as possible. The school endeavours to meet all requests for amendments to the uniform for these purposes; however, will ensure that the

needs and rights of individual pupils are weighed against any health and safety concerns for the entire school community.

Parents' concerns and requests regarding religious clothing are dealt with on a case-by-case basis by the Headteacher and Local Academy Committee, and always in accordance with the Trust Complaints Policy.

The school ensures that the needs of pupils with SEND and/or sensory difficulties are considered in the uniform policy, e.g. ensuring soft, stretchy fabrics and avoiding intricate buttons or hard seams; however, where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible. This will be done in liaison with the school SENDCo and parent, and may include an agreed period of phasing into a particular item, modification of an item to allow for a medical need or provide support to buy alternative items that look the same or similar.

6. Complaints and Challenges

The school endeavours to resolve all uniform complaints and challenges locally and informally, in accordance with the Trust Complaints Policy. To make a complaint, parents should refer to the Trust Complaints Policy and follow the stipulations outlined.

When a complaint is received, the school works with parents to arrive at a mutually acceptable outcome. The Local Academy Committee are willing to consider reasonable requests for flexibility to allow a pupil to accommodate particular social and cultural circumstances.

7. School Uniform Supplier

Our current school uniform suppliers are:

[Motif8](#)

[Elizabeth's Embroidery](#)

[Rawcliffes](#)

Our school uniform suppliers accept school uniform assistance vouchers.

The Local Academy Committee will ensure that a written contract is in place with the supplier for branded items. The school will retender the uniform contract every five years, whether changes to the uniform are made or not, in line with the Tendering and Procurement Policy. The Local Academy Committee will be able to demonstrate how uniform is procured at the best value for money. The Headteacher will work to ensure that the items are procured as cheaply as possible without compromising on the quality, e.g. by requesting standard-style items from the supplier rather than more intricate and unique designs.

The school does not sign contracts with suppliers before requesting visualisations of proposed uniform, as well as fabric samples.

Where the school is proposing to change suppliers, it will reach out to suppliers by **October** in the determination year.

8. Uniform Assistance

The school supports vulnerable families in meeting the costs of uniforms.

The school holds second-hand school uniform items for parents and carers to access; access is available on a Friday when the uniform stand is out on the main playground. Families are invited to donate pre-loved uniform when they no longer need it.

The school also sells new uniform items at less than half the retail price, including skirts, trousers, t-shirts, shorts, socks and tights. This is funded using the Pupil Premium Grant as well as from school fundraising events (including our clothing recycling bin) and from other donations received.

The school has a "coat swap" system in place where used coats can be swapped with others on the rail.

All pupils joining our Nursery will receive a free sweatshirt as a welcome gift, funded from the Pupil Premium Grant. Reception pupils will receive a free book bag, funded from the Pupil Premium Grant.

9. Non-Compliance

Staff members are permitted to discipline pupils for breaching this policy, in accordance with the school's Behaviour Policy and Health & Safety Policy.

If a pupil breaches the uniform rules, teachers are authorised to send out the appropriate letter to parents / carers to remind them of uniform expectations and to rectify the breach (Appendix A).

If a pupil repeatedly breaches uniform rules, the PSA will contact the parent / carer for a discussion and to put in place support if needed.

Jewellery is the responsibility of the pupil and not the school. Lost or damaged items will not be refunded. Jewellery must be removed during practical lessons, including PE lessons and some science experiments where appropriate.

In the case of recently pierced ears, pupils will still be expected to take part in PE lessons, but the teacher / coach will carry out a dynamic risk assessment to ascertain which activities the pupil can / cannot participate.

14. Hairstyles

The school reserves the right to make a judgement on where pupils' hairstyles or hair colours are inappropriate for the school environment; however, will ensure that any such judgements do not discriminate against any pupil by virtue of their protected characteristics. Each individual pupil's scenario will be considered where any judgements on appropriateness are to be made, and parents will always have the freedom to complain via the Trust Complaints Policy.

Pupils with long hair must ensure that this does not impede their vision, cover their face or provide a health and safety risk. Long hair must be tied up during practical lessons, e.g. during PE.

The following hairstyles are not considered appropriate for school:

- Brightly coloured, dyed hair
- Headwear with bold patterns or colours
- Excessive hair accessories

- Loose-fitting and lightweight shirts and dresses with sleeves and collars or covered necklines
- Over the knee skirts, shorts or trousers
- Tops that cover the shoulder area

RE: SCHOOL UNIFORM

It has been brought to my attention that your child has not been wearing the correct uniform for school lately. I am writing to kindly ask that you ensure they come appropriately dressed, following our uniform guidance which can be found on our website: <https://rosebrook.adastraschools.org/our-school/uniform/>

When your child first started Rosebrook, you will have been asked to sign our "Home-School Agreement" to say you would be happy to support the school's policies, rules and routines. Making sure your child comes to school smartly dressed is an important part of that agreement.

At Rosebrook, we take pride in what we look like and more importantly, we take pride in being part of our school community and fitting in. Uniforms help pupils to prepare for when they leave primary school and will be expected to dress smartly in a uniform at secondary school. They show a sign of respect that you and your child value what we are trying to achieve at Rosebrook: we are striving for excellence.

If you are having any financial worries which may be impacting on your family and on buying uniform, please contact our PSA for a confidential chat as we have a uniform shop at school where you can purchase items for less than half price.
